**INSTITUTIONAL DISTINCTIVENESS**

**BARKHETRI COLLEGE**

**NARAYANPUR, MUKALMUA, NALBARI, ASSAM**

**PIN-781126**

Barkhetri College was established in 1983 in the erstwhile backward locality of South Nalbari, dominated by minority community. The founding fathers envisioned to shape education accessible to underprivileged section of the society. Following the footsteps of its founders, our esteemed college seeks to empower its students with a holistic education to build an ideal society which definitely is, distinctive to its vision. Since its inception, Barkhetri College has been catering higher education to students from entire Barkhetri region including three nearby river island named Kalarchar, Bhangnamari and Kurihamari. The college has been relentlessly involved in bringing about positive changes to the society at large. As a part of its societal commitment/responsibilities, the college has played a leadership role in various areas that requires guidance and direction. In furthering the vision of social inclusiveness, the College has a very student friendly admission process to make education accessible for all. The College does not fix any cut-off marks during the time of admission. The sole aim of keeping the cut-off marks open is to democratize the whole admission process and enable every aspiring student. Best efforts are made to accommodate maximum number of students. The management down the years has always strived to reach out to the most deprived sections of the society in imparting higher education. Catering to the need of the socially and economically disadvantaged strata of the society located over a large and diverse geographical jurisdiction has always been high on our agenda. As the college is committed towards promoting dynamism in education, the IQAC suggested constituting an institutional research grant to encourage faculty members for research activities. The holistic purpose of the programme is to give momentum to research activities as well as contribute in knowledge formation.

While emphasizing curriculum transaction, this College provides opportunities for students to engage into extracurricular activities like debate and extempore speech competitions, musical performances, staging of plays, art and handicraft, as well as yoga and sports activities. Likewise, students acquire disciplinary learning and can discover their hidden talents. The college helps students to develop leadership qualities without being gender-biased. The role of the College's alumni also stands proof of it. This is the distinctiveness of the college that it lays emphasis on student centric activities like Outcome based educational practice and evaluation of Learning Outcome/Course Outcome by holding periodic Internal Assessment etc. The College has MoUs with other Institutions- Barbhag College, P.B. Anchalik College and Narayanpur High School which helps to provide exposure to students with Academicians from reputed and nearby located Higher Educational Institutions. These initiatives taken by our college is an eye opener for the authority to render goodwill and support so that main objectives of the college are satisfactorily sustained.

Study materials were also supplied to the students as part of the implementation of online teaching/learning methods provided during the Covid-19 pandemic which helped them to explore their skills and cope up with the crucial time during lockdown.

College has a Career Counselling and Placement Cell to make students aware of different avenues of career and placement. The cell motivates students to improve different soft skills, employability and communication skills. The distinctiveness is in mentoring them for entrance examination of various higher educational institutions.

The College contributes in inculcating values of national unity and integration by the involvement of NCC and NSS. Students undertake extension activities to inculcate social inclusion and responsibilities.

Also, the College provides assistance in getting Government Scholarships and Freeships by the students.

College felicitates the best graduate in end-semester examination every year to encourage and motivate the students.

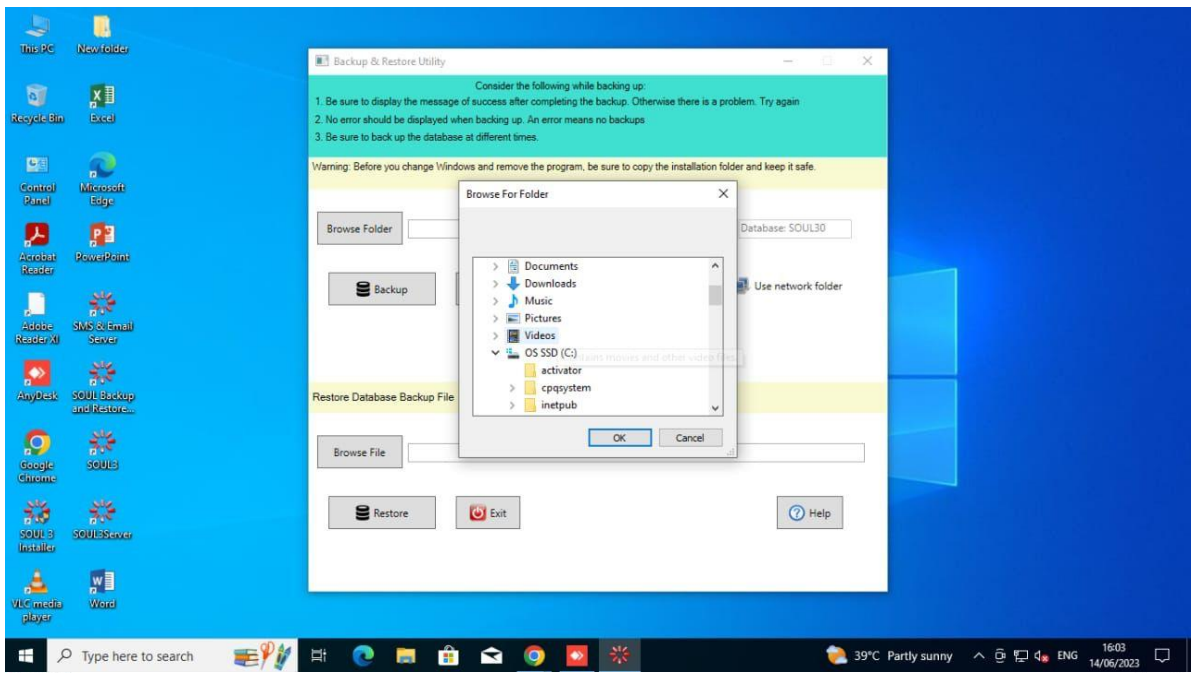

The library automation also shows the distinctive vision of the College. The Rashid Ahmed Library of college has a collection of above 10,000 nos. of Printed Books, out of which more than 1000 books have been entered in SOUL 3.0 Database. Additionally, the library has 7 nos. of Printed Journals, 2 nos. of Magazines and Periodicals, 4 nos. of Regional newspapers and 1 National newspaper, respectively. Apart from this, NDLI-Club registration has also been done.

The following are the acquisitions of the college library:

1. SOUL 3.0 Server, 2. Barcode Printer, 3. Barcode Scanner, 4. Internet Service, 5. Printers and Xerox machine, 6. Display rack, 7. Almirah, 8. Book shelves, 9. Newspaper stand, 10. Suggestion box, 11. Circulation counter, 12. Notice board, 13. Inverter, 14. N-List is under process.

With the academic and co-curricular exuberance, as well as with proper utilization of the available resources our college has full potential of becoming a Rural University par excellence. We are working with this zeal to achieve it in near future.
