Date.....

The following outcomes have been derived from the analysis of the feedback,

- The majority of the faculty members are satisfied with the current syllabus.
- Most of the faculty members contented that the syllabus is up-to-date and are focused on learner.
- The syllabus contains skill based component moderately, so there is ample scope of improvement.
- An appreciation has been observed by the teaching fraternity for the incorporation of the social and ethical values in the syllabus; however they also stated that the curriculum maintains a moderate balance between theory and applications.
